

Camp Sertoma July 11 -16, 2021

Dear Camp Sertoma Families:

Thank you for your interest in Deaf and Hard Hearing Camp Sertoma July 11 - 16, 2021. We canceled camp last year due to the COVID 19 pandemic so we are very excited about getting camp up and running this year. Thank you for the continuous support from families like yours, our campers, staff, Sertoma club members, and the community.

Sertoma Clubs from the Great Plains Region are dedicated to providing this opportunity to as many campers that are d/Deaf or Hard of Hearing as possible regardless of family income. Families residing in the Great Plains District (MN, IA, NE, SD, ND) are asked to pay a non-refundable \$125 registration fee by June 15. The fee changes to \$150 after June 15. Families outside of these states will be required to pay the full \$680 and will only be allowed to register as space allows after June 15, 2021. No camper within the region will be denied due to financial limitations.

We need all required camp forms to be received in our office no later than July 1st. If we do not get all of your camper's forms by July 1th, we will have to decline your camper's registration and accept the next camper on the waiting list.

New this year is required proof of a negative COVID test result within 5 days of camp. This means your camper needs to be tested between July 6th and July 10th. We will check in with you during that time to make sure your camper has done this and you have proof of results.

We are very excited for Camp Sertoma 2021! Please feel free to contact us with any questions or concerns. Follow us on FaceBook at "Camp Sertoma of the Great Plains Region" and visit our website at www.campsertoma.com.
