Please note: Special diet requests are for food allergies, religious restrictions, and other health-related needs only. Requests should not be made for food preferences, personal taste, or for “picky eaters”: due to the large number of campers, camp cannot accommodate these requests and they will not be honored.

Example of special diet requests include: gluten-free diet, kosher meals, peanut allergy, lactose intolerance, etc.

Examples of diets that are not a special request include: child does not like vegetables, child will only eat hot dogs or hamburgers, etc.
